

SLEEK FUNCTIONALITY

There's no need to compromise on style or performance when travelling with a crowd. Whether you're taking your larger-than-most family from A to B, showing visitors the sights in your city or embarking on that dream holiday with friends, the H-1 has all the comfort, safety and power to make the journey world-class. In short, it's the travel partner you've always wanted.

When you're travelling long distances, you don't want to be watching your speedometer every the H-1 guarantees you stay at the speed you want, giving you one less thing to think about when you're behind the wheel. It's all part of giving you a smooth ride second to none.

SUPERIOR SAFETY

Hyundai is committed to the ultimate safety of anyone that chooses to drive one of our vehicles. Driver and passenger air moment of your trip. The auto cruise control of bags are found in all our H-1 models with the H-1 2.5 diesel bus boasting side airbags for added protection. Stringently tested, these safety devices deploy instantly on impact without causing any injury in the process.

STATE-OF-THE-ART **AUDIO SYSTEM**

Every journey needs a soundtrack. The H-1 features a high quality touch screen Infotainment system with optional SATNAV, ensuring the quality of your favourite songs matches that of your driving experience. The system includes RDS, CD, MP3, AUX, iPod, USB and Bluetooth connectivity. The top-of-the-range speakers have been strategically placed so that every passenger will enjoy every beat of your trip.

FULL AUTO AIR-CONDITIONING SYSTEM

It's easy to stay cool in the H-1. The fully automatic air-conditioning system available in the 2.5L Diesel A/T Bus means the air in the vehicle is always at the perfect temperature. Use the simple controls to set the dual air-conditioning in the H-1's front seats and separate air-conditioning for the rear seat passengers. Everyone's perfect temperature will be maintained throughout your journey.

WORLD-CLASS PERFORMANCE

The 2.5L CRDi Diesel Engine boasts multi-point fuel injection and 16-valve technology. Its maximum output registers 125 kW/3 600 and 441Nm/2 250. The 2.4L DOHC petrol engine features CVVT (Continuously Variable Inlet Valve Timings), 16-valve technology and a 3-way catalytic converter. With a power output of 126kW/6000Rpm and 224Nm @ 4 200 Rpm torque, it offers more power, lower harmful emissions and improved fuel efficiency.

BOLD DESIGN

The H-1 proves you don't have to sacrifice style for the sake of performance. A comfortable, spacious interior is complemented by a strong, modern exterior design. Flush-fitting side windows, 16-inch* alloy wheels and tilting doors add to the distinct Hyundai vehicle aesthetic. Inside you'll enjoy spacious seating, power window controls, and a convenient sun visor.

*H-12.416-inch and H-12.517-inch.
